SPECIALISTS**
— OF —
NORTH TEXAS

Dear Patient:

This letter is to inform you that as of March 1, 2020, I will no longer be a member of Orthopedic Specialists of North Texas.

I am joining a new practice, Texas Orthopedic Specialists. I will be seeing patients at the location listed below starting on March 2, 2020.

Texas Orthopedic Specialists
3537 South I-35E, Suite 316
Denton, TX 76210
Office: 817-540-4477
Fax: 817-540-5633

I am happy to continue to provide you with the same excellent orthopedic care at my new practice. I am contracted with many of the same insurance plans with the new group. I hope you wish to continue your orthopedic care with me at the new practice. Please contact our office with any questions regarding insurance or scheduling. We will work to make this move and transition as seamless as possible for all patients.

You may also continue your health care through any other orthopedic physician of your choice. If you elect, your records can be forwarded to a physician of your choice.

I look forward to the opportunity to serve you at my new location.

Sincerely,

A handwritten signature in black ink, appearing to read 'MA House'.
